Thanks Keith

Two questions,

Can you attach the Appendix or provide as a separate document.

Ex. 5 Deliberative Process (DP)

With those resolved, this will be ready for Loren, John's and my final review/sign off.

Thanks again for all of your work!

Hi - Here you go (see Attached), we included all John L's edits and it seems to read very well now. I've included a PDF version as well.

FYI – Ylan and Loren have our draft 104e to the Board. Ylan is out today and will review it on Monday. Once I have her and Loren's comments I will forward to everyone.

FYI – I'm on leave for more dental work on Monday but will check emails on occasion.

Have a great weekend all.

A few suggested edits – if these look good to you. Let's go ahead and finalize this memorandum.

We greatly appreciate all of your work on this!

Hi Team,

We corrected all the redline edits (in the first attachment) John L. made and addressed his comments we discussed this morning (see the new 20210527 version attached). We took out all ambiguities. Let us know if you have any additional edits/comments.

Thanks and it was nice to talk with everyone this morning.

Have a happy Memorial Day weekend.

Keith
